ODYSSEY LAPTOP BACKPACK

15.6” ergonomic expedition style backpack

The V7 Odyssey Laptop Backpack is the multifunctional solution for on-the-go professionals or students. The backpack is designed with a dedicated padded section for notebooks up to 15.6”; ample organizational room featuring a workstation with pen loops, accessory pockets, a zippered security pocket and water bottle pockets. The three separate zippered compartments will hold whatever you need to take with you on your travels. This lightweight backpack has sleek ergonomic padded mesh shoulder straps and back pad ensures dry comfort in an expeditionary style.

Features & Benefits:

- Padded notebook section for up to 15.6” notebooks
- Three zippered compartments for accessories and personal items plus workstation with two pen loops, two accessory pockets, a zippered security pocket and two external water bottle pockets
- Padded mesh adjustable shoulder straps allow for maximum comfort dryness plus tote handle and haul loop for easy pickup and carry
- Adjustable compression straps to adjust comfort and load ergonomically
- Lightweight and water resistant material
